- 21/09-7 PLATINUM JUBILEE 2022
 Cllr B Gray spoke to the council regarding ideas for the Jubilee in 2022.
 A tree planting initiative is being created to mark the Jubilee. We are all being encouraged to plant trees.
 The walled garden area at the end of the hall, is need of work. The hall committee are looking for it to be grassed, with wild flowers & picnic benched. It would all be low maintenance, so only a few people are needed to look after it.
 Another suggestion was the Parish Council look to buy some new benches for the parish. Some of the current metal ones are in need of some attention and these could be replaced by some recycled/sustainable benches with a plaque for the Jubilee.
