22/07-3 DECLARATION OF INTEREST

22/07-4 PUBLIC PARTICIPATION

The no parking sign on Hunsonby village green was discussed at length again & the confusion it is causing in this area for carers, social services etc. It was previously mentioned about creating an area on the green for parking – D Banks advised this is not possible as it is village green. Can the sign be moved to further down the green? The road around the green is the responsibility of the homeowners.

Questions were raised about the swimming pool & community centre committees & the use of the car park & another no parking sign.

The condition of footpath/bridleway from South View – Little Salkeld was discussed, the Himalayan Balsam does require attention. There are also some small trees growing out of the road bridge – these will be reported to Highways.

22/07-5 MATTERS ARISING FROM THE MINUTES

Walled Garden update was given by B Gray.

The matter of the trees & bushes etc by the hall & pool was raised, some branches are hanging over the pool. The pool & CC are looking at quotes for the work to clear and sort this area. Village volunteer days are being organised aswell. It was discussed who owns what land in this area, pool, CC & the council?

22/07-6 VILLAGE PARKING

Following the discussion in Public Participation, there is obviously an issue.

Complaints have been received both in person & via email. Wild camping is illegal in England.
