22-2 CHAIRMAN'S REPORT

I would like to say after challenging times, ie – Covid, last year felt like the start of normality, getting back to meetings face to face in our new community centre.

We are getting new projects off the ground, supporting the new platinum jubilee garden, improving the seats around the parish and the new car park at Long Meg has finally got the go ahead. Aswell as advising on new housing developments and the usual street lights, making sure the villages run smoothly taking on board complaints and ideas.

But alas new challenges await, war in the east, fall out from Covid, high inflation, back logs and being part of the new Westmorland & South Lakes council, with its new rules and councillors. But with the councillors on this council I am confident we can continue with our good work and thank you for your enthusiasm, good advice and help. This also applies to our clerk Helen and special thanks also go to Doug Banks, Claire Driver and David Driver. Lets keep up the good work.

22-3 ANNUAL ACCOUNTS,

The annual accounts were presented which show a bank balance of £18,078.68 The Parish Precept was maintained at £5400 + CTRS = £5442 and other sources of income also remain the same. The final Footway lighting payment from EDC has now been received so going forward the council will be responsible for the full amount.

22-4 OTHER PARISH MATTERS

The street lighting in Winskill remains a matter for discussion and also vehicle parking in Hunsonby.
